Media Release

Aquarius Aerial Firefighting aircraft involved in accident

Luxembourg, 19 June 2025 – Cargolux confirms that there was an accident involving one of Aquarius Aerial Firefighting's (AFF) aircraft on deployment in Türkiye.

The aircraft, an Air Tractor AT-802F Fire Boss, registration number LX-AFE, was active on a firefighting mission when the accident occurred whilst scooping water.

Both the AFF pilot and the Turkish observer on board were able to evacuate the aircraft unassisted. No fatalities were incurred.

The occupants were rescued by a police boat and taken to the hospital for observation and evaluation.

AFF is committed to fully cooperating with all relevant authorities in respect of this accident.

About Cargolux Airlines International

Cargolux, based in Luxembourg, is Europe's leading all-cargo airline operating a fleet of 30 Boeing 747-8 freighters and Boeing 747-400 freighters. As a future-gearred airline, Cargolux also has 10 efficient Boeing 777-8F on order to replace its ageing 747-400 aircraft. The Cargolux worldwide network covers over 75 destinations on scheduled all-cargo flights and offers full and part-charter services. The company has more than 85 offices in over 50 countries and operates an extensive global trucking network to more than 250 destinations. With over 50 years of experience in the air cargo industry and an extensive product portfolio, Cargolux provides tailored transport solutions for all types of shipments. The Cargolux Group also offers aerial firefighting services through its dedicated unit Aquarius Aerial Firefighting. As a responsible cargo carrier, Cargolux has developed a solid Sustainability program encompassing Environmental, Social, and Governance principles. The Cargolux Group employs close to 4,000 staff members worldwide.
